

Weekly Takeaway Sheet

Radiance, Week 3: 7-20-26

Radiance Is Contagious

1. Kindness Is One of the Brightest Forms of Confidence

- Kindness reflects inner confidence, not weakness.
- Small acts of compassion create lasting impact.
- A confident woman lifts others as she rises.

2. Encouraging Others Never Dims Your Own Light

- Someone else's success doesn't take away from yours.
- Encouragement creates a ripple effect of confidence.
- Celebrating others allows everyone to shine brighter.

3. The Energy You Bring Into a Room Matters

- Your attitude and presence influence those around you.
- People may forget your words, but they'll remember how you made them feel.
- Bringing hope, kindness, and warmth is a powerful way to shine.

4. Confidence Grows Stronger in Community, Not Competition

- Community creates connection while comparison creates distance.
- We grow stronger when we encourage one another.
- There is room for every woman to shine in her own unique way.
